4. CONDITION OF SALE

Puppy is sold AS IS except as specifically stated in this Agreement. Puppy has received age-appropriate vaccinations and deworming and appears healthy at time of transfer.

Buyer agrees to have puppy examined by a licensed veterinarian within 72 hours of receipt. Failure to obtain a veterinary examination within this timeframe voids any health guarantee provided under this Agreement.

5. AKC REGISTRATION

Puppy is sold with AKC Limited Registration only. No breeding rights are granted.

6. MICROCHIP & RECOVERY POLICY

Puppy is microchipped prior to leaving Breeder.

Buyer agrees to list Breeder as secondary contact on microchip registration for the life of the dog.

If Buyer cannot be reached within 24 hours after recovery, Breeder reserves the right to retrieve and safeguard the dog.

7. RETURN & RIGHT OF FIRST REFUSAL

If Buyer is unable or unwilling to keep the dog at any time, Buyer must notify Breeder immediately.

Breeder will accept the dog back at any age. No refunds will be given.

Dog may not be surrendered to a shelter, rescue, or third party without Breeder's written consent.

8. HEALTH GUARANTEE

Breeder guarantees that the puppy is in good health at the time of transfer to Buyer and has received age-appropriate vaccinations and deworming as documented in the puppy's health record.

If the examining veterinarian determines that the puppy was suffering from a serious illness or condition that existed prior to transfer, Buyer must notify Breeder within seventy-two (72) hours of receipt and provide written documentation from the examining veterinarian.

Grade 1 and Grade 2 heart murmurs are specifically excluded from this guarantee, as such murmurs may be physiological (innocent) in nature and may resolve as the puppy matures.

This guarantee applies only to the puppy's health at the time of transfer. No guarantee is made regarding the future health, temperament, fertility, size, weight, show quality, breeding ability, congenital conditions, hereditary conditions, developmental abnormalities, allergies, autoimmune disorders, injuries, accidents, parasites, or any other condition arising after the puppy leaves Breeder's care.

Because incubation periods vary and exposure may occur before, during, or after transport, infectious diseases diagnosed after transfer are specifically excluded from this guarantee, including but not limited to parvovirus, coronavirus, kennel cough, canine influenza, pneumonia, coccidiosis, giardia, or other contagious illnesses.

No refunds or reimbursement of veterinary expenses will be provided. Breeder's sole obligation under this guarantee shall be, at

Breeder's discretion, either:

- (a) acceptance of the puppy's return, or
- (b) replacement with another puppy of comparable quality when available.

Transportation costs are the responsibility of the Buyer.

9. LIMITATION OF LIABILITY

Breeder is not responsible for veterinary expenses, injuries, or accidents occurring after transfer.

Liability is limited to the remedies stated in this Agreement.

10. GOVERNING LAW

This Agreement shall be governed by and interpreted under the laws of the State of Oklahoma.

Venue for any legal action shall be in Oklahoma.

11. SEVERABILITY

If any provision of this Agreement is found unenforceable, remaining provisions shall remain in full force and effect.

12. ENTIRE AGREEMENT

This Agreement represents the entire agreement between the parties and supersedes all prior discussions.
